

Nudity

Nudity, **nakedness**, or **nakitness** is the state o wearin no cleidin.^[1] The wearin o cleidin is a predominantly human characteristic arisin frae functional needs such as pertyection frae the elements an frae cauld weather, efter the loss o body hair, an migration tae caulder regions.^[2] The amoont o cleidin worn depends on functional considerations, such as a need for wairmth, as well as social circumstances. In some situations, a minimum amoont o cleidin or none at aw may be considered socially acceptable, while in ithers much mair cleidin may be expectit. Social considerations involve issues o modesty, decency an social norms, besides ithier considerations, an these mey depend on the context. Thare mey an aa be legal considerations.

Boys soummin naked in a sacred tank in Indie
